

Construction of upgrades and improvements to Project # 0811002-003, Knights of Columbus (Well # 8) elevated water storage tank, 1335 North Black Horse Pike, Block 701 Lot 15 in the amount of \$878,000.00 is being financed by the New Jersey Water Bank (NJWB). The NJWB is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (Infrastructure Bank) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the Infrastructure Bank to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide water quality benefits and address the widespread corrosion problem on one of the Authority's primary elevated storage facilities for residents and businesses in Monroe Township, Gloucester County N.J.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
