WHEREAS, the Authority has a need to purchase a 2025 Chevrolet Silverado 2500 HD, 4WD, Double Cab Pickup Work Truck; and

03-S-219-04	\$32,750.00

WHEREAS, pursuant to the requirements of Public Law 2010 Chapter 139 and the Local Public Contracts Law the Authority verifies the following in reference to the #24/43 for the purchase of a 2025 Chevrolet Silverado.

1. That the use of the cooperative purchasing agreement shall result in cost savings after all factors, including charges for service, material, and delivery, has been considered by one of the following:

- a. Comparing current State contract pricing, available to other government entities, to that of the proposed national cooperative.
- b. Comparing pricing for comparable goods or services under the contracting unit's current contract or contracts available to it (i.e., New Jersey government base cooperative purchasing programs) to that of the proposed national cooperative.
- c. Comparing recently procured comparable contracts entered into by other public entities to that of the proposed national cooperative.

2. The national cooperative contract awarded through a "competitive bidding process" that included open competition, or competition among those qualified or pre-qualified, submission of bids, and award pursuant to a "lowest responsible", "most advantageous to the public entity, price and other factors considered", or other similar standard employed by a public entity. This excludes contract awards based on unadvertised, "invitation only," negotiated, local preference, or sole source procurement practices."

3. The "competitive bidding process" that was used by the original contract awarding agency complies with N.J.S.A. 19:44A-20.4 and 20.5 (pay-to-play laws) and at a minimum, the original contract awarding agency did the following:

- a. Publicly advertised in newspapers or on the internet website maintained by the public entity in enough time to give notice in advance of the contract.
- b. Awarded under a process that provides for public solicitation of proposals or qualifications.
- c. Awarded and disclosed under criteria established in writing by the public entity prior to the solicitation of proposals or qualifications; and
- d. Publicly opened and announced when awarded.

4. The contract being awarded must have been awarded by a contracting unit as defined in c.139 and was not awarded by a non-profit or private

organization, even if a member of the cooperative. Stated differently the original contract awarding agency meets the definition of a "contracting unit" as defined by New Jersey purchasing statutes.

5. The original bid was advertised as a national cooperative contract (or regional contract that includes New Jersey in its region) not as strict as a local contract that was made "national" or "regional" after the receipt of bids.

6. The vendor will comply with the following New Jersey laws by submitting the following required forms to the Authority, as if the contracts were originally awarded by the Authority:

- a. New Jersey Business Registration Certificate for the contractor and a sub-contractor (i.e., copy of certificate).
- b. Statement of Corporate Ownership (an original form prepared for the contracting agency awarding the contract).
- c. Public Contract EEO Compliance (Employee Information Report form or proof of participation in a federally approved affirmative action program) A non-collusion affidavit (only if required by a local unit); and

NOW, THEREFORE BE IT RESOLVED that the governing body of the Monroe Municipal Utilities Authority, County of Gloucester, approve the purchase through the Bergen County Cooperative Purchasing Alliance #24/43 for a 2025 Chevrolet Silverado in the amount of \$65,500.00.

IT IS HEREBY CERTIFIED THAT THIS IS A TRUE COPY OF THE RESOLUTON PASSED AT THE MEETING HELD ON, OCTOBER 15, 2025.
